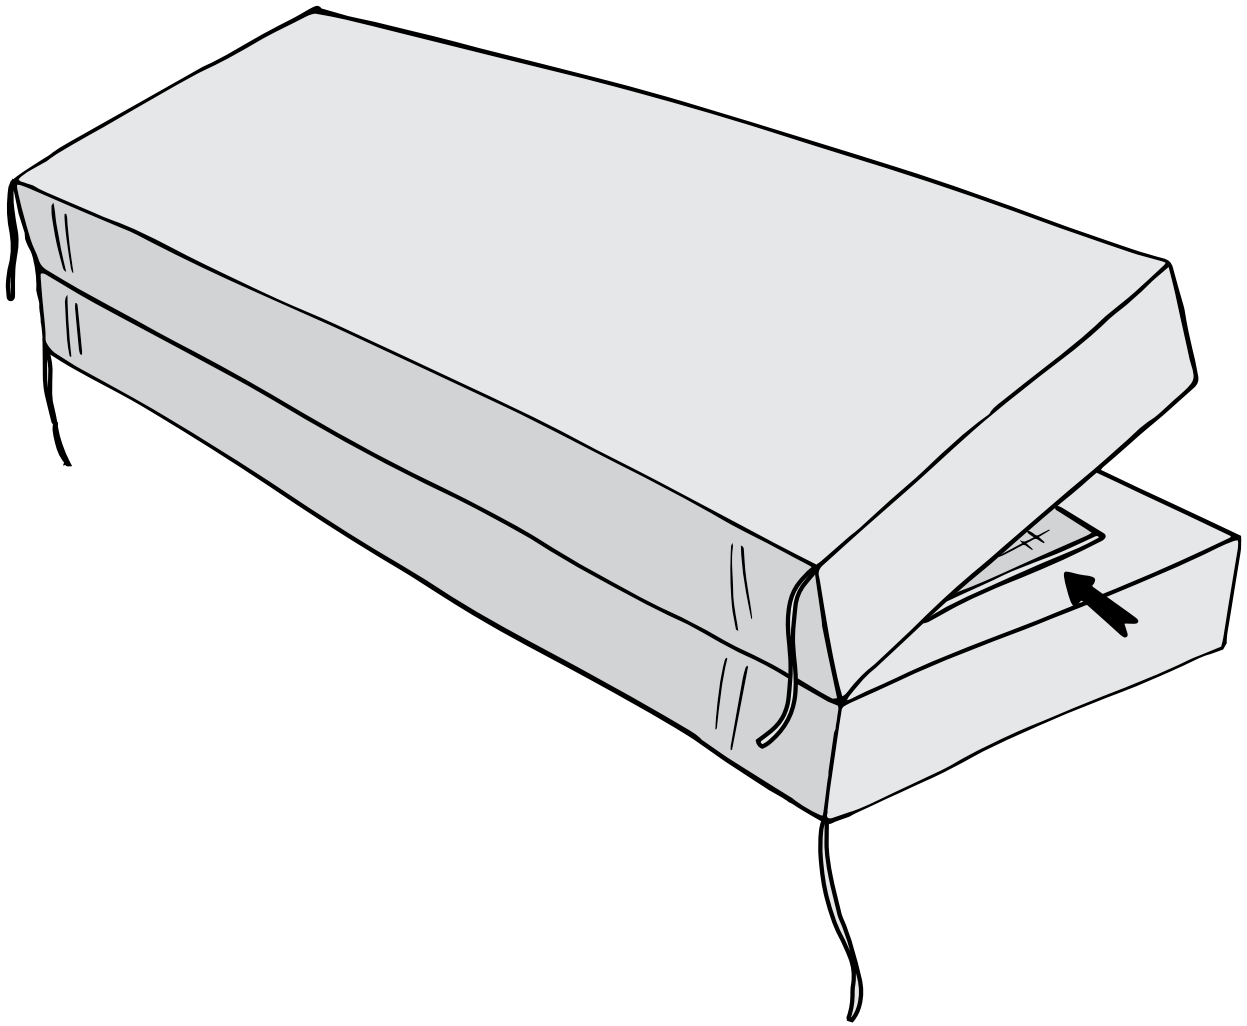
Coco-Mat Mattresses

Set-up instructions

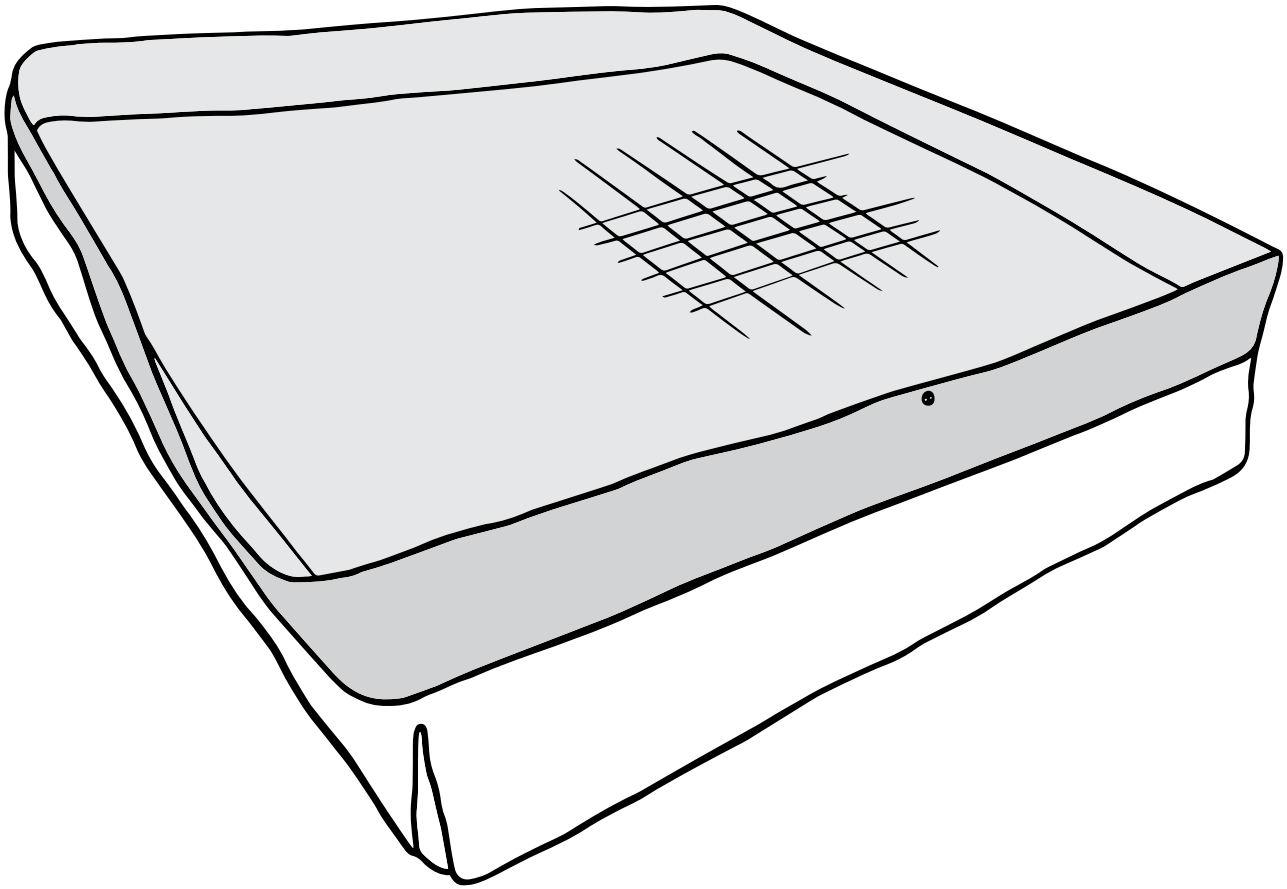
1ST STEP

Your mattress comes folded in two pieces.
In between the pieces you will find the external cover.



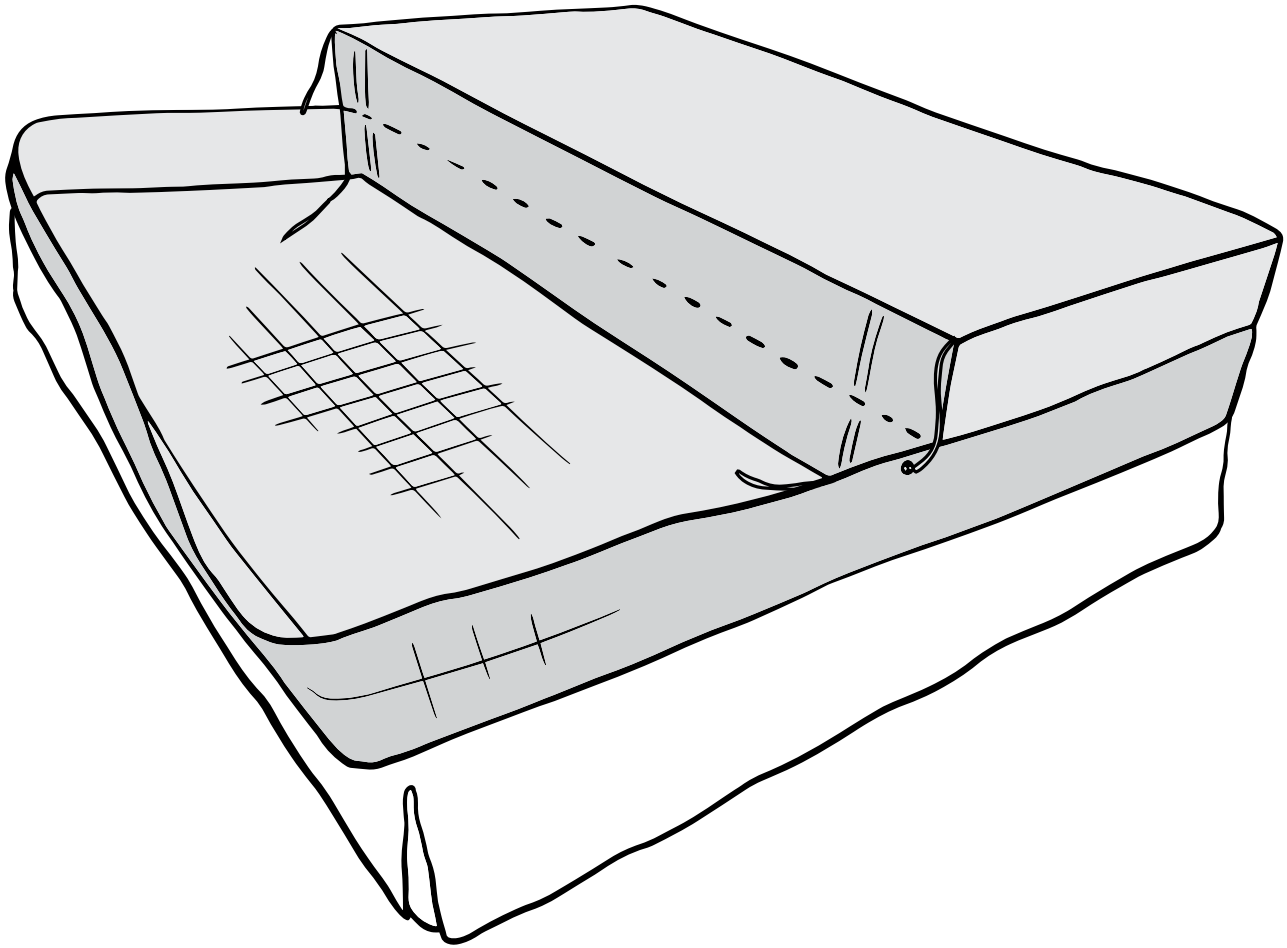
2ND STEP

Unfold the inner cover and lift its sides so that it creates a “case” where you will place the mattress.



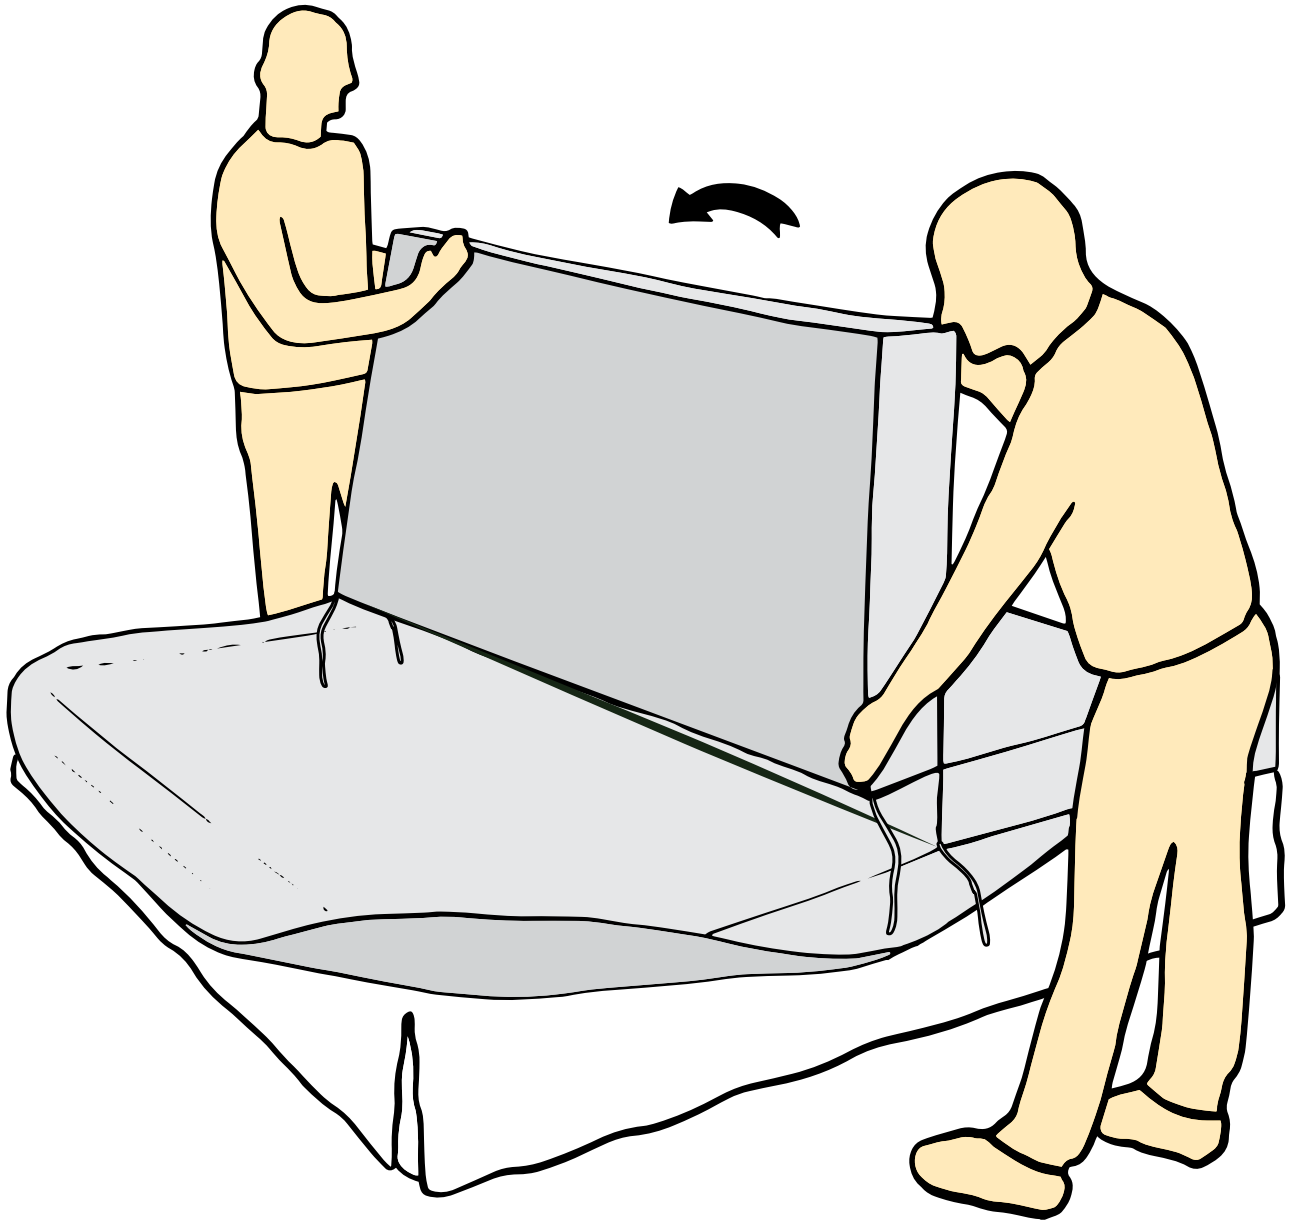
3RD STEP

Place the mattress, carefully, inside the cover.

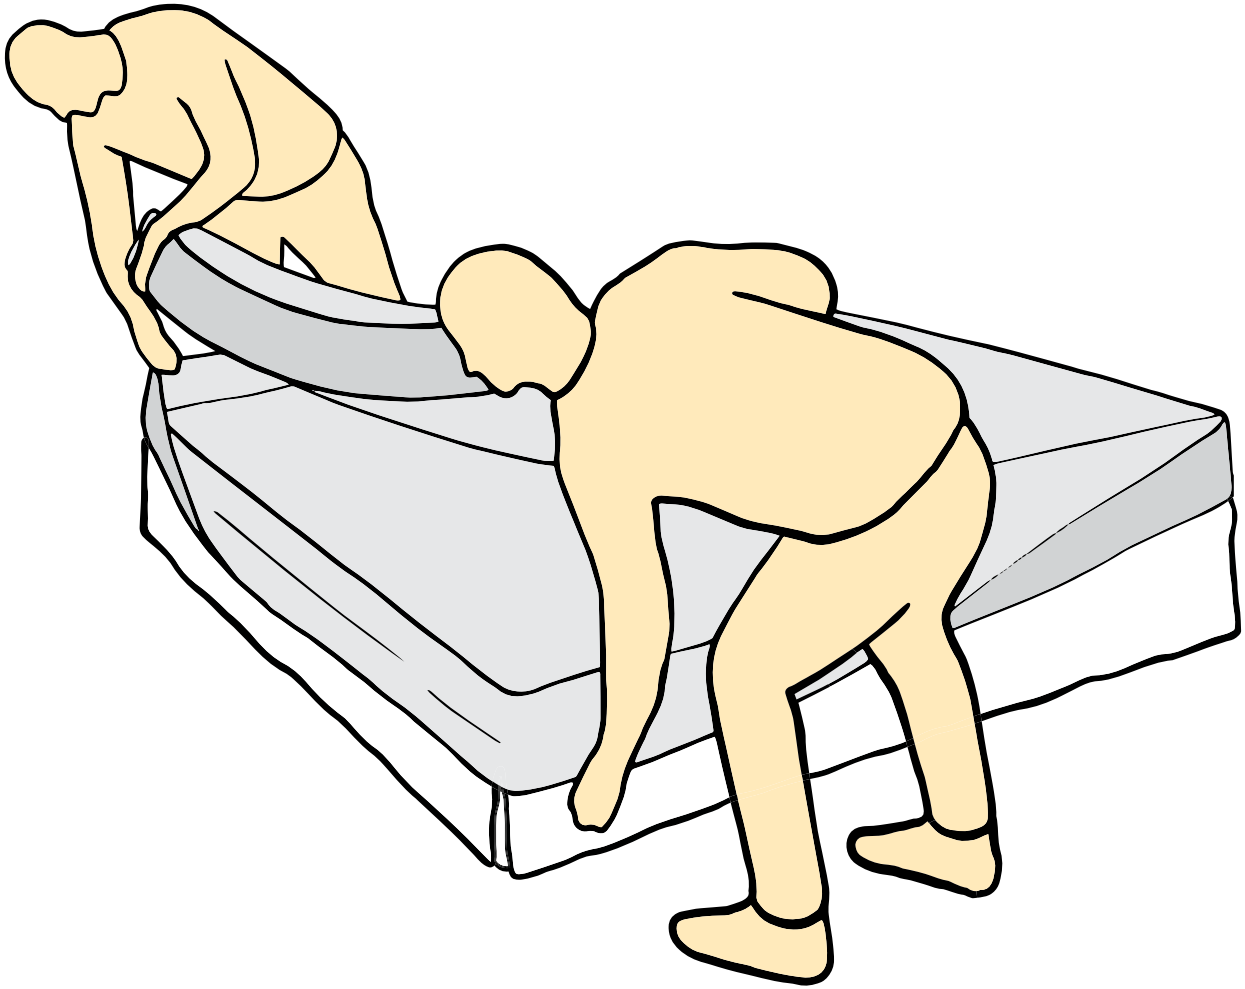


4TH STEP

Unfold the two parts of the matress inside the cover.

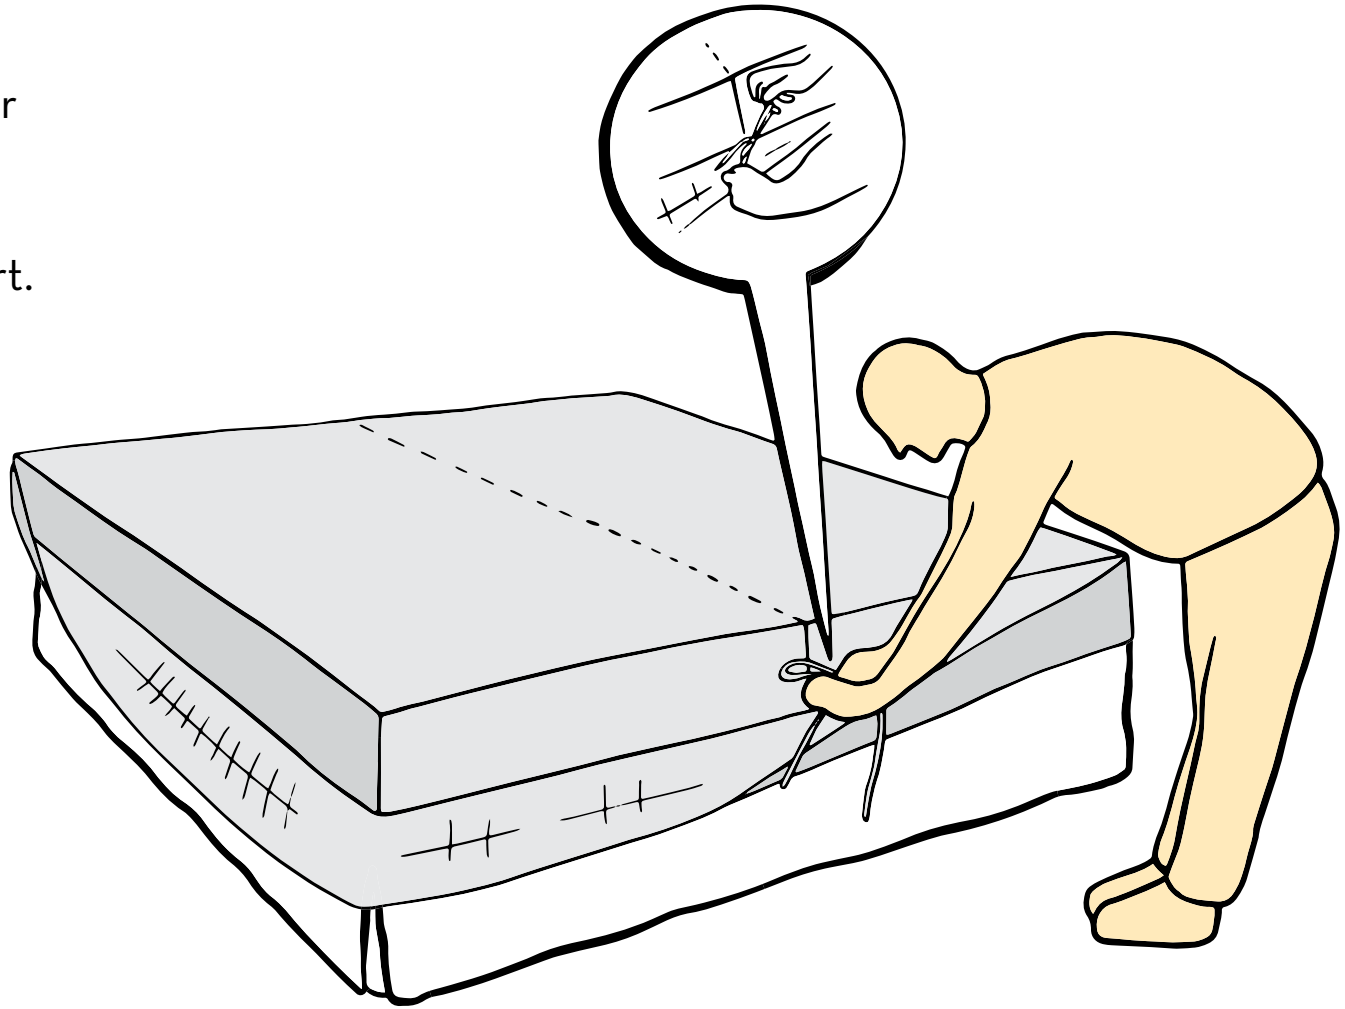


5TH
STEP



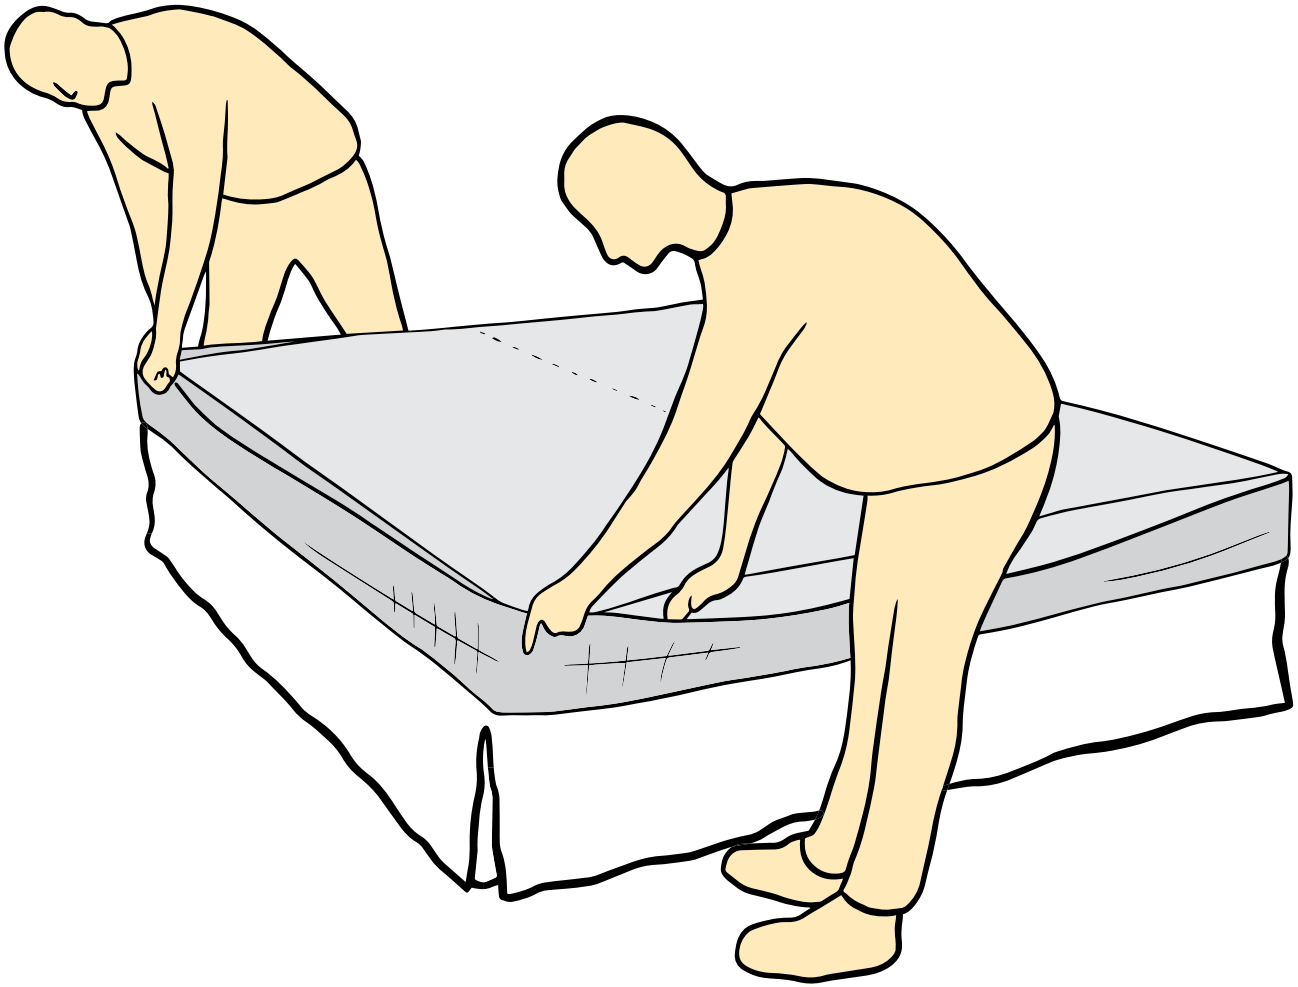
6TH STEP

Tie together the strings of the inner cover. Make sure you tie the strings on the bottom part.



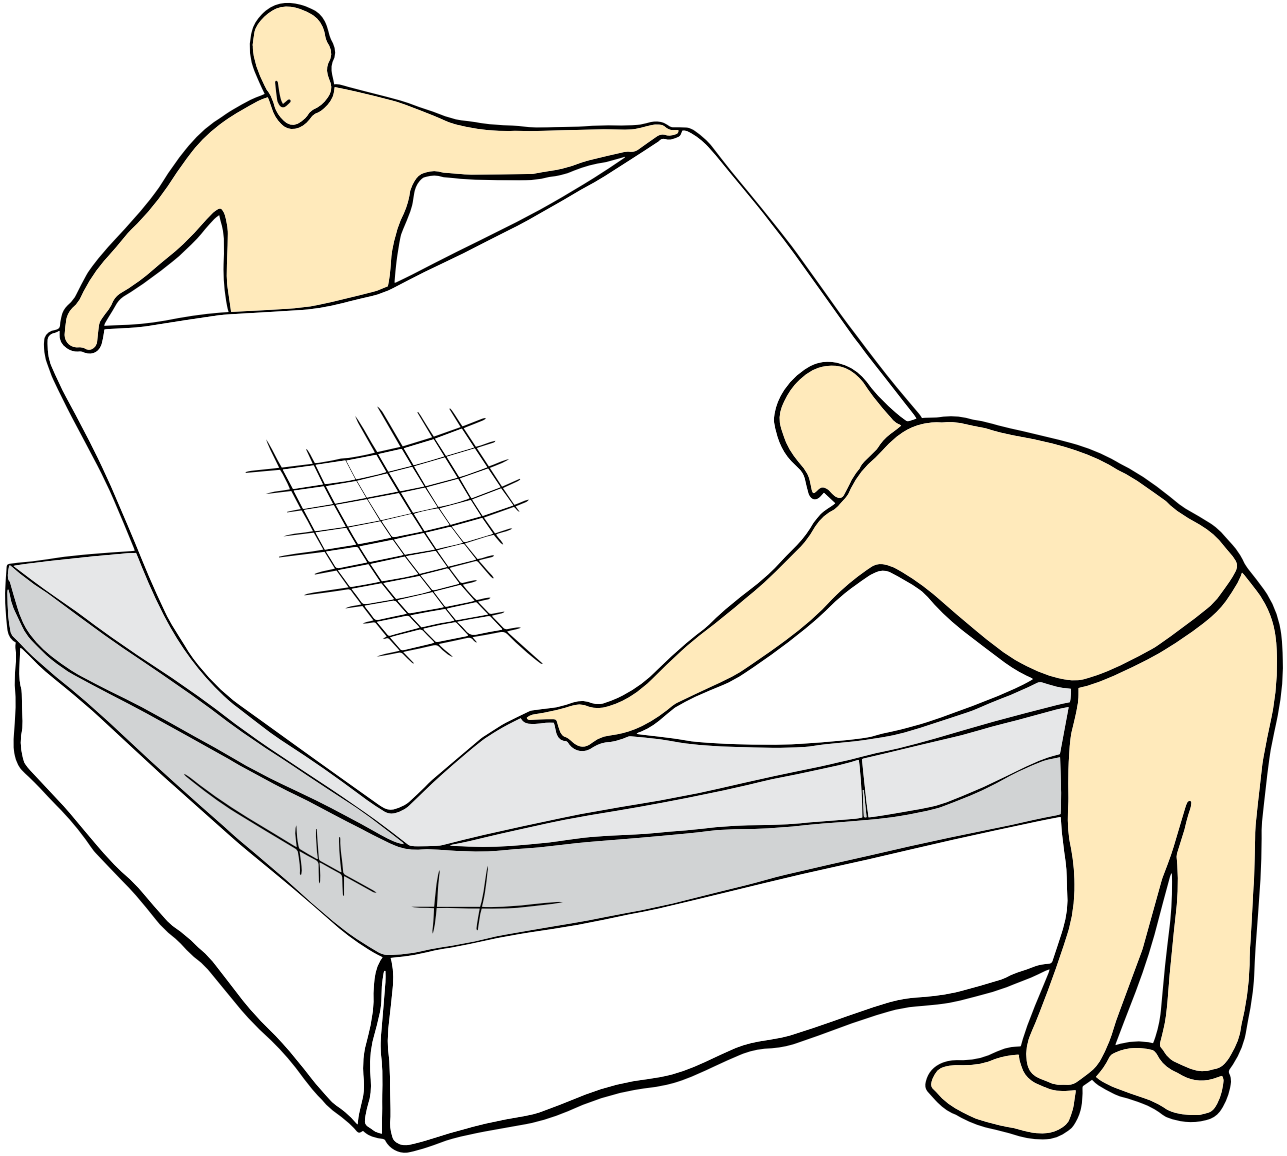
7TH STEP

Lift the sides of the cover.



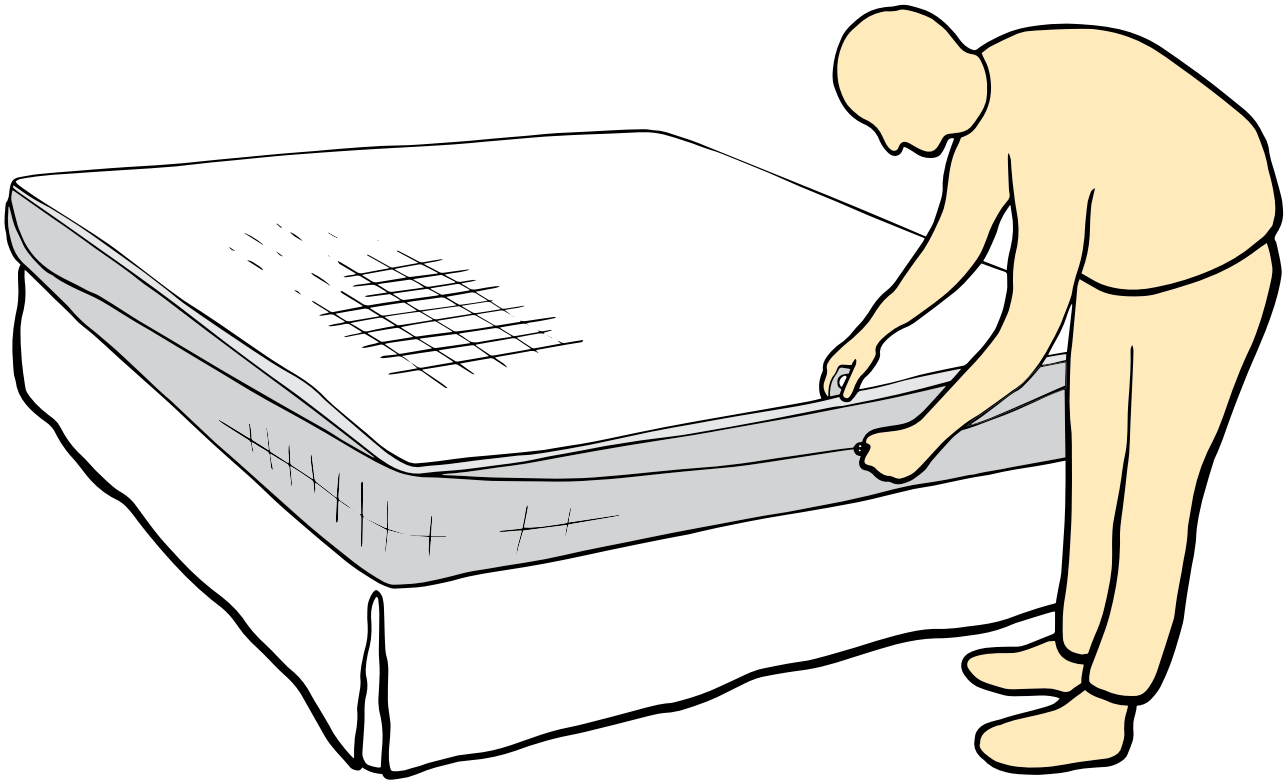
8TH STEP

Place the top part of the cover.



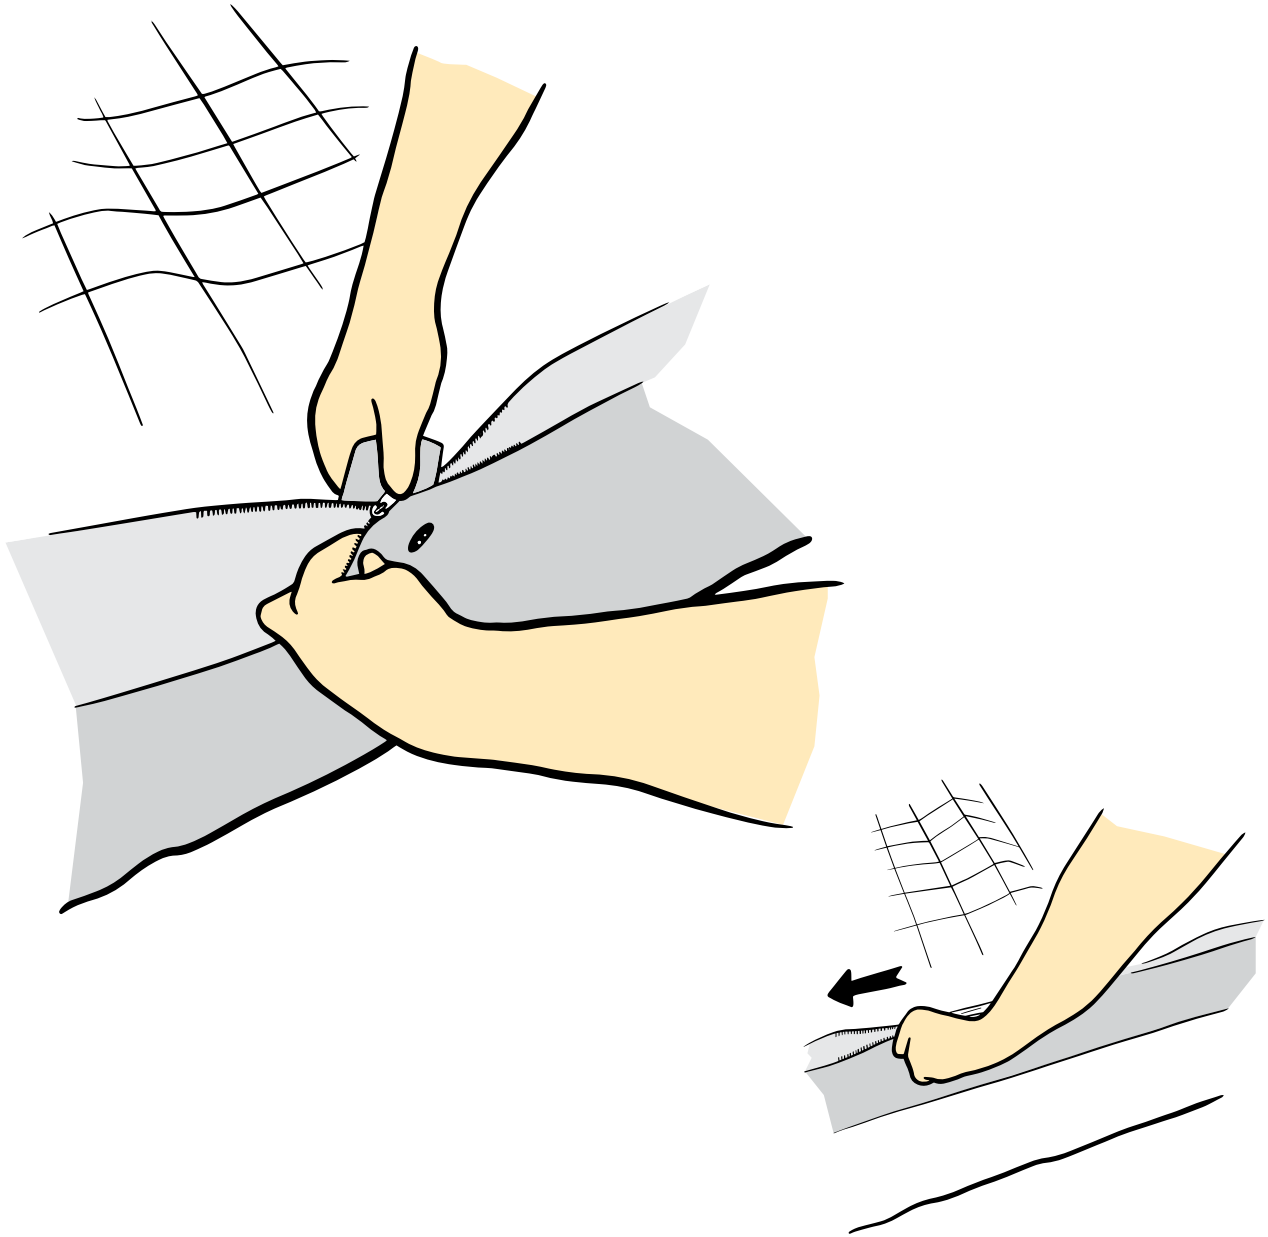
9TH STEP

Make sure it is correctly placed, so that the button is facing the button hole.



10TH STEP

Join the start of the zipper and start zipping around the cover.



11TH STEP

Once you zip all around the perimetrical zipper, button up the cover with the button.
